

Mosscare Values

 We see the potential in all human beings and communities to grow and develop. We love variety.

 We think that new things enrich our lives. We like new ideas.

 We look for ways to improve the wellbeing of all.

 We respect communities. We are fair to all.

 We know that trust has to be built and kept up. With trust come justice and freedom.

 We are able to contribute to the success of the neighbourhoods we work in by being strong
